## TRAINING UPDATE

*'Securing your future one training session at a time'*

PIFSA is proud to announce the immediate availability of two new and unique training modules for litho machine operators and assistants, which will also assist with trainees and apprentices. Specially designed to enhance practical skills for personnel on the in-house litho machines they are assigned to, the courses offer unsurpassed and immediate business benefits by helping increase productivity and efficiency on the shop floor.

LITHO OPERATOR COURSE	LITHO MACHINE ASSISTANT COURSE
<p><b>Training outline:</b></p> <ul style="list-style-type: none"><li>• Setup and production management of:<ul style="list-style-type: none"><li>○ Feeders and delivery</li><li>○ Ink ducts</li><li>○ Roller and dampers</li><li>○ Pressures</li></ul></li><li>• Mounting plates and blankets</li><li>• Final evaluation of the printing of a multi-colour job</li></ul> <p>Course duration – 3 days</p> <p>* <b>Cost:</b> R 5, 400 (incl VAT) per delegate</p>	<p><b>Training outline:</b></p> <ul style="list-style-type: none"><li>• Maintenance and cleaning</li><li>• Feeder</li><li>• Printing unit</li><li>• Lubrication</li><li>• Safety</li><li>• Delivery</li></ul> <p>Course duration – 1 day</p> <p>* <b>Cost:</b> R 2, 052 (incl VAT) for a max of 3 delegates</p>
